New FSPM Contest - "Identify the Real Customer". Can anyone identify JUST ONE customer that has purchased a PharmPod that does not have family ties to Scott Dittman?

All PharmPod sales go through their exclusive licensee Meadpoint Ventures. Meadpoint Ventures is a foreign owned, Nevada corporation managed by Scott's sister Sandra and his brother in law, stock promoter William Sears.

FSPM put out a PR announcing a big sale of PharmPods to VertiFresh. VertiFresh is managed by William Sears and has the same mailing address as FusionPharm.

FSPM identified Greenway Wellness a Foundation as a customer in Michigan. Scott Dittman sits on their board.

Most companies publish testimonials from happy customers and identify them in PRs. Who are the real FSPM customers?
